

A Simply Smiles Internship is like no other. You won't be putting files in alphabetical order or hoping someone notices you so that you can ask them for a recommendation...

You will be helping Simply Smiles to change lives. Simply Smiles is a charity dedicated to providing bright futures for impoverished children and we need your help. Do you want to help us to change the way children live in this world? Do you want to have a real and meaningful internship experience? Do you want to participate in something special that will have a positive impact on your life and the lives of impoverished children? If you are passionate about making a difference, a Simply Smiles internship may be for you.

**More**

Simply Smiles Internships are very competitive. We are looking for exceptionally motivated, passionate and dedicated individuals. Interns serve as ambassadors for the organization as well as the children in our care. Internships are physically and emotionally taxing. Travel, encounters with desperate poverty, and long hours are the norm... And the experience can change the perspective and course of your life forever. We encourage you to apply today. Thank you!

## About Simply Smiles

**Simply Smiles is a 501c3 charity organization dedicated to providing bright futures while improving the daily lives of impoverished children.**

Simply Smiles was founded in 2003 when we began work on our inaugural project, The Casa Hogar Children's Home in Oaxaca City, Mexico. Based out of donated office space in southern Connecticut, and relying heavily on an extremely dedicated network of donors and volunteers, Simply Smiles has become a highly respected and rapidly growing organization.

With your help, we will be able to continue our work around the world. We have recently begun brand new projects on the Cheyenne River Indian Reservation in South Dakota, and in the mountain villages of Oaxaca, Mexico.

**There are several internships to choose from. Take a look at the following options, then visit [www.SimpleSmiles.org](http://www.SimpleSmiles.org) to download an application.**

### Mexico:

Simply Smiles works across several projects in Mexico's poorest state of Oaxaca. We support two children's homes, a community who survives off of a garbage dump, and the villagers of the remote southern mountains.

### South Dakota:

Simply Smiles supports four Boys and Girls Clubs on the Cheyenne River Indian Reservation in South Dakota. Run by Margie Uses Knife, these clubs provide a refuge for children in desperate need.

### Testimonials

Want to speak directly to past interns or volunteers about their experiences? Please feel free to contact these outstanding Simply Smiles supporters:

### Winter Break Internship

Host a fundraiser!

Want to have an internship but don't have a lot of time? Want to do something more than lounge around over Christmas Vacation? A Winter Break Internship is the answer. All you need to do is come up with an idea for a fundraiser and present it to Simply Smiles. We will help you to develop your idea into a plan for a successful fundraiser. Invite your family and friends to participate and you have helped Simply Smiles to raise the funds we need to make our work possible. And you can add the experience to your resume.

### Summer Internship

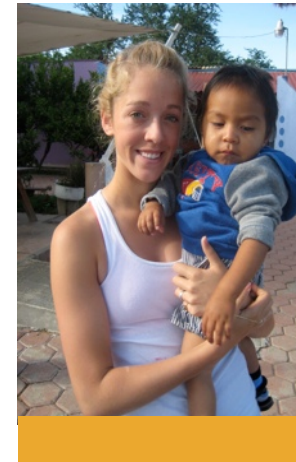

Travel and serve!

Simply Smiles hosts groups of volunteers who travel to our projects in Mexico and South Dakota. During the months of June, July, and August we generally see over 200 participants. A Summer Internship would consist of traveling to Simply Smiles projects and helping us to manage our volunteer teams as part of our support staff. Building homes, serving meals, hiking into the jungle, you will be doing whatever is needed at that moment to help make our volunteers as effective as possible.

### Gap Year Internship

An after graduation alternative

Not quite ready to head back to the grind after graduating from high school? Want a year to do something you've always dreamed of after college? Simply Smiles offers a "Gap Year Internship" that may be just for you. An extended commitment, Gap Year Interns do a little bit of everything. Travel to our projects, work in the office, host fundraisers, present the work of Simply Smiles, and help us to develop the organization. It's a full-time job without the salary - but there are countless rewards to be had.

### Custom Internship

To fit your specific needs

Does your school require an internship or a service project? We can work with you to design and implement an internship that meets your requirements. You can also take on a custom internship to host a fundraiser during a spring or fall break from school. We need your help and together we can custom make an internship just for you. There are countless ways for you to help Simply Smiles. Past participants have lived at a home for children in Mexico, hosted a summer walk-a-thon, and driven a truck full of donations to South Dakota.
