

Application for Interning With Simply Smiles Inc.

Simply Smiles Internships are very competitive. We are looking for exceptionally motivated, passionate and dedicated individuals. Interns serve as ambassadors for the organization as well as for the children in our care. Internships are physically and emotionally taxing. Travel, encounters with desperate poverty, and long hours are the norm...But the experience can change the perspective and course of your life forever. We encourage you to apply today.

Note: This application is not necessary for "Winter Break Fundraisers" as they do not involve travel. If you are interested in a Winter Break Fundraiser, please contact us at info@simplysmiles.org
